### REASONS FOR ALLOWANCE

1. This allowance is in response to the Request for Continued Examination (RCE) filed on February 23, 2007.

2. Claims 1-22 are allowed.

3. The following is an examiner's statement of reasons for allowance:

The above-mentioned claims are allowable over the Cited Prior Art (CPA) of record, because the CPA of record fails to teach or render obvious the limitations of independent claims 1, 10, and 19, and the subsequent dependent claims.

4. The CPA does not teach or suggest a Border Gateway Protocol (BGP) speaker sending, a Virtual Router (VR) receiving, or a method of transmitting, an update message in conformance with a BGP protocol, wherein the message comprises a VPN membership field identifying a VPN to which the update message relates, a VPN reachability mode field indicating which VPN model is being used, a VPN reachability information indicating a route by which the VPN can be reached, and a tunnel mechanism field that indicates tunnel characteristics used to transport the VPN packets. The method of supplying an update message and updating a routing table with the specific above information is not found in the CPA, and therefore, the claims are allowable over the CPA.

5. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably

accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
